ENCRYPT - The Tech Society of CVS acts as a haven for students aiming to excel in modern technology. It offers a stage where students passionately pursue the spread of technical education. By committed learning and honing technical skills, they equip themselves to tackle the world's challenges.

ENCRYPT-CVS embodies a fusion of knowledge and proficiency, nurturing the development of a technically adept community and thus, aiding in building a promising tomorrow. It serves as a metaphorical bridge linking students with the complexities of technology.

Technophilia 6.0

The annual flagship event of Encrypt, the technical society of College of Vocational Studies, Technophilia 6.0 was conducted with great enthusiasm, innovation, and participation from students across disciplines. The event spanned across two days — April 8th and 9th, 2025 — and comprised a blend of online and offline activities designed to engage and inspire the student community.

Day 1: Online Events and Inaugural Webinar

Technophilia 6.0 was inaugurated on April 8th with an insightful **webinar** on the theme “**Being a Jack of All Trades is the Ultimate Superpower Today**”, delivered by Ms. Ayusha Singh, Senior Associate at Cognizant. An alumna of IIM Rohtak and IIIT Jabalpur, Ms. Singh is a renowned career coach and educator with over 21,000 followers on Instagram. She has guided numerous young professionals in their career journeys and was recently a speaker at DevFest Noida 2024. Her session shed light on the value of versatility in today's dynamic professional landscape and encouraged students to explore diverse skillsets.

Following the webinar, two engaging online competitions were hosted:

Online Chess Competition: A test of strategy and focus, the online chess tournament brought together enthusiasts from various colleges. Participants engaged in intense battles of logic and foresight, making the event both intellectually stimulating and competitive.

Online Treasure Hunt – "The Portal Protocol": Designed to challenge problem-solving and lateral thinking, this solo-participation puzzle event took participants on a multiversal adventure through a series of thematic realms. Each level posed unique riddles and digital enigmas that tested wit and perseverance, making it one of the most appreciated events of the day.

Day 2: Offline Events and Technical Engagements

The offline segment of Technophilia 6.0 was held on April 9th and commenced with a traditional Deep Prajwalan ceremony, led by the society's esteemed convenor Mrs. Prul Chahra, alongside the guest speaker for the day, Mr. Manas Chopra.

This was followed by an enriching **speaker session** by Mr. Manas Chopra, a respected name in the AI-ML community. Known for his work across startups such as Zamp and Quizzy, Mr. Chopra is the founder of Geek Room and has extensive experience in organizing and judging hackathons. His session on **Generative AI** offered deep insights into the latest developments in the field, practical applications, and future possibilities. With his engaging delivery and impressive experience as an 18-time hackathon organizer and a TEDx speaker, Mr. Chopra captivated the audience.

The excitement continued with a high-energy offline BGMI competition, which witnessed participation from over 16 teams. The event was marked by intense competition, strategic gameplay, and a spirit of camaraderie, ultimately crowning one team as the undisputed champion of the battleground.

Running simultaneously was an **Online Coding Competition** hosted on Unstop, designed specifically to be beginner-friendly while still offering meaningful problem-solving opportunities. The event successfully attracted budding coders, encouraging participation from students who are new to competitive programming.

Conclusion:

Technophilia 6.0 stood as a celebration of innovation, skill, and curiosity. The event was a testament to Encrypt's commitment to fostering a dynamic technical culture within the college, offering students a platform to learn, compete, and grow. With inspiring sessions, challenging competitions, and enthusiastic participation, the fest concluded on a high note, leaving a lasting impression on all attendees.

The fest was inaugurated by **Prof. M.N. Doja, Hon'ble Chairman of the Governing Body**, who encouraged the students with his inspiring words and praised the creative atmosphere of the event.

The college campus came alive with vibrant energy as students from across the University of Delhi and beyond flocked to be a part of this cultural spectacle. From competitive events and live performances to exhibitions and DJ nights, TATVA'25 offered something for everyone. The cultural societies of CVS worked tirelessly to curate competitions that showcased the talents of participants and upheld the fest's legacy of creativity and excellence.

The film and photography society, **Zephyr**, not only curated the visually stunning exhibition *Invision* but also hosted two thrilling competitions – *Dastaan*, an on-the-spot filmmaking challenge that tested creativity under pressure, and *Ishtehaar*, an online filmmaking competition that brought storytelling to the digital realm. Both events were met with enthusiastic participation and appreciation for the innovative ideas on display.

Criador, the fine arts and creative writing society, added color and imagination to the fest through its art exhibition *Altaira*. The society also held three unique competitions: *Movie Poster Redesign*, where participants reimagined film posters; *Brush & Beauty*, a face painting competition that blended art with expression; and *Live Impressions*, a live art contest that drew large crowds.

Zestreets, the western and street dance society, brought electrifying energy to the stage with three dance battles: *Berzerk*, *Expressar* (featuring 1v1 college division and 2v2 open battles Crew v Crew), *Bailando*, a western group dance competition. Each performance drew roaring cheers and set the stage ablaze with rhythm and power.

The music society, **Arpeggio**, presented *Noise Gate '25*, a musical showcase featuring *Battle of Bands*, *Indian Solo Singing*, and *Indian Classical Choir*. The competitions celebrated musical diversity and left the audience mesmerized with soul-stirring performances.

Manthan, the fashion society, held its dazzling fashion show *Aafroz* on Day 1, leaving a lasting impression with bold themes and stylish expressions. **Quest**, the quizzing society, organized *El Ultimo*

Quest, a general quiz, and *Heist Hysteria*, an engaging treasure hunt that saw teams racing across the campus.

Madhyam 5.0, the much-awaited annual event of the Social Media Cell of the College of Vocational Studies, was successfully organized by the Council Team of 2024–25, under the esteemed guidance of Principal Sir, Professor Shiv Kumar Sahdev, along with our respected conveners and faculty members. The event was held on 17th April 2025, from 11:00 AM onwards, in the Seminar Hall of the College of Vocational Studies, and witnessed enthusiastic participation from students across departments.

The Council Team of 2024–25:

Tushar Sharma – Editor-in-Chief

Vivek Gupta – Executive Editor

Akshika – Managing Editor

Omveer Singh – Associate Editor

The event commenced on a spiritual and auspicious note with the ceremonial lighting of the sacred lamp, symbolizing the dispelling of darkness and the ushering in of knowledge and wisdom. This was followed by a soulful Ganesh Vandana, beautifully performed by Khushi Sharma, setting a serene and respectful tone for the rest of the event.

Centred around the thought-provoking theme “Reel vs Real”, the event aimed to explore the growing influence of social media and the contrast between virtual personas and real-life identities. The event was graced by our Chief Guest, Mr. Manoj Tiwari, who inspired the audience with his powerful words and presence. His insights on the importance of staying grounded in reality amidst the temptations of online fame struck a strong chord with the attendees. We were also privileged to host Dr. Mittali Jaiswal as our esteemed speaker, who delivered an enlightening session on the psychological and societal impacts of excessive social media use. Her talk encouraged students to reflect on their digital consumption and adopt a more balanced and mindful approach.

Madhyam 5.0 offered a dynamic blend of insightful sessions, interactive discussions, and engaging activities that sparked meaningful conversations. The event served as a platform for students to delve into the complexities of digital life, fostering media literacy and self-awareness.

Beyond being a celebration of creativity and innovation, Madhyam 5.0 proved to be a valuable learning experience. Students gained clarity on distinguishing between curated content and authentic self-expression, as well as understanding the importance of mental well-being in today’s hyper-connected world. The knowledge and perspectives gained from the event will undoubtedly help them navigate the digital space more responsibly and consciously.

Notably, the entire event was ideated, documented, and covered by the Social Media Cell itself, reflecting the team’s exceptional coordination, content creation, and execution capabilities.

The success of Madhyam 5.0 stands as a testament to the passion, planning, and teamwork of the Social Media Cell and marks a memorable chapter in the journey of the 2024–25 council.

ODYSSEY:

Annual and Cultural Event of NSS CVS

ORGANISED BY: National Service Scheme, College of Vocational Studies

NO. OF ATTENDEES: 500+

VENUE: Amphitheater, College of Vocational Studies

DATE: 24th and 25th April, 2025

The National Service Scheme (NSS) Unit of the College of Vocational Studies proudly hosted its annual flagship social and cultural event, ODYSSEY 2025, on 23rd and 24th of April 2025. The event was inaugurated in the presence of an impressive panel of dignitaries and guests of honor, whose presence elevated the event and inspired the student community.

The Chief Guest of Honour for the first day of the event was Shri Ravindra Singh Hon'ble Minister of Social Welfare, SC and ST, whose deep commitment to inclusive growth and empowerment added a strong sense of purpose to the occasion. Also gracing the event was Shri Iqbal Singh Lalpura, Chairman of the National Committee for Minorities, whose presence reaffirmed the event's focus on diversity and inclusion. The event was further enriched by the presence of Shri Sharwan Ram, Regional Director of NSS Delhi, who has been instrumental in promoting cultural education and linguistic integration across NSS platforms. and Dr. Charu Kalra, provisional director of Rashtriya Sevika Samiti, Delhi. The cultural programs commenced on April 23rd with the inaugural ceremony, which included the lighting of the ceremonial lamp by the chief guests, esteemed principal Prof. Shiv Kumar Sahadev, followed by a welcome address to the chief guest by Mr. Anurag Agnihotri, Programme Officer of NSS CVS. The day's performances began with an elegant display of Kathak, showcasing the rich traditions of Indian classical dance.

The first day served as a vibrant culmination of the year's activities and embodied the spirit of service, cultural pride, and community engagement. With its core theme centered around Sustainability, Empowerment of Persons with Disabilities (PWD), and Cultural Heritage Odyssey 2025 brought together a dynamic blend of performances, social messaging, and inclusive representation.

Prof. Dubey Singh sir gave a speech regarding the purpose and ideal of SATRANG, the Equal Opportunity Cell of CVS which is inclusivity of disabled candidates in the society without any discrimination

A key feature of the event was its dedication to environmental sustainability. The entire venue was designed using eco-friendly materials, with no use of single-use plastic or thermocol. The decorations—crafted from jute ropes, cloth, cardboard, natural flowers, and upcycled

materials—were a striking visual representation of the event's zero-waste vision. Volunteers of the NSS Decoration department worked with remarkable dedication to transform the campus into a space that was both beautiful and environmentally responsible. All of the students were requested to do 2 minute silence to pay tribute to the victims of the recent terrorist attack on Pahalgam, Kashmir.

On the second day, the prominent guests were Mr. M.K.Vajpayee, Chancellor of IRS university, who has pioneered in the fields of education and academic excellence. The event also had the honour of welcoming the Former Vice Chancellor Prof. (Dr.)K.G.Suresh of Makhnallal Chaturvedi National University of Journalism and Communication, whose lifelong contributions to education and media were a beacon of inspiration for all attendees and Dr. Nityananand Singh, Founder and Managing partner of NAKS Legal(Advocates and Solicitors) . The gracious presence of these distinguished personalities underscored the significance of Odyssey 2025 and lent great encouragement to the student and volunteer community.

The theme of the second day was to celebrate our cultural diversity. The tempo rose with a vibrant Giddha performance, capturing the spirited rhythm of Punjabi culture. In a moment that deeply moved the audience, a PWD participant shared an original poem focused on personal empowerment and overcoming adversity, embodying the very essence of the fest's inclusive message. This was followed by a heartfelt poetry recital by an NSS volunteer reflecting on the values of service, empathy, and youth activism. The second day also included a spectacular array of folk dances from the North Eastern Cell presenting various cultural and folk dance performances in Northeastern states, to spread the idea of inclusivity.

The second day, April 24th, maintained the energy and excitement while shifting the spotlight toward recognition and celebration. A special felicitation ceremony was held to honor two outstanding PWD candidates who demonstrated exemplary commitment to NSS activities during the 2024–25 tenure. Their contributions, recognized in front of a cheering audience, highlighted the importance of inclusive leadership and equal opportunity. The stage was lit up with different cultural dances celebrating the spirit of unity in diversity. Their dance presentation, rich in traditional costumes and ethnic music, brought lesser-known cultural narratives to the forefront and was met with resounding applause.

The last day transitioned into the evening with high-energy . The music artists charged the atmosphere with excitement, drawing the crowd to the dance floor. The musical crescendo continued with live performances by two guest singers, who entertained the audience with a blend of soulful tunes and energetic hits, marking the celebratory high point of the fest. The evening concluded with a formal vote of thanks, extending heartfelt gratitude to the guests, collaborators, faculty, and the tireless team of NSS volunteers whose hard work made the event a success.

Odyssey 2025 was not merely a college event—it was a vibrant expression of values that define the NSS spirit: service, inclusivity, sustainability, and cultural unity. With over 3,000 attendees and the dedicated involvement of more than 100 volunteers, the event succeeded in creating an environment of learning, inspiration, and joy. It empowered participants to not only celebrate their identities and cultures but also to reflect on their roles in building a more inclusive and responsible society. Odyssey 2025 concluded not with an end, but with the beginning of a renewed commitment to serve, to include, and to celebrate diversity in all its forms.

PROFILE

Prof. Vipul Singh

Department of history, Delhi University

Prof. Vipul Singh is a professor of environmental history in the Department of History at the University of Delhi. He is one of India's leading environmental historians. His research focuses on ecologically challenging regions of India, such as the arid landscapes of Western Rajasthan and the floodplains of the Ganga. He is also interested in topics like migration, inland fisheries, and how popular culture is reflected in folklore and vernacular literature.

Beyond the archives and lecture halls, Professor Singh's voice resonates in global forums, from the Ludwig Maximilians University in Munich, where he happened to be the Carson Fellow at the prestigious Rachel Carson Center for Environment and Society, to the International Consortium of Environmental History Organizations, where he was awarded for his continuous research on environmental history in 2019. He was also honored with the Best Teacher Award by the Delhi Government a few years ago.

His latest book, *Speaking Rivers: Environmental History of a Mid-Ganga Flood Country (1540-1885)*, was published by Primus in 2018. He is currently working on a book project exploring the effects of global climate anomalies during the Mughal era. Additionally, he is studying the long-term environmental history of the Indian Ocean region and the impact of digital colonialism.

Prof. Singh serves on the editorial board of *Water History*, a journal published by Springer. He is also a Life Member of the Asian Association for Environmental History (AAEH).
